

Module overview of the Study Program "Medicine"

Compulsory components
270 ECTS Credits / 8100 hours

Optional components
90 ECTS Credits / 2700 hours

Basic Biomedical Sciences Training
 Behavioural and Social Sciences Training
 Clinical Sciences Training
 Internship
 Attestation

Semester	Basic Biomedical Sciences Training	Behavioural and Social Sciences Training	Clinical Sciences Training	Internship	Attestation
Semester 1	Bioorganic Chemistry, Medical Chemistry, Medical Biology, Medical and Biological Physics	Ukrainian as a Foreign Language, Ukrainian Language (professional)		Safety of Life Activity	
Semester 2	Histology, Cytology and Embryology	Foreign Language	Human Anatomy		BK1, BK2, BK3, BK4, BK5
Semester 3	Physiology, Labor Protection in Medicine		Biological Chemistry, Medical Informatics		
Semester 4		Hygiene and Ecology	Microbiology, Virology and Immunology	Clinical Anatomy and Operative Surgery, Patient's Care (Practice session)	
Semester 5	Pathomorphology, Pathophysiology		Pharmacology, Propedeutics of Internal Medicine, Propedeutics of Pediatrics, General Surgery	Radiology, Medical Psychology	BK6
Semester 6				Social Medicine, Public Health, Nursing Practice, USQE (Stage 1)	
Semester 7			Endocrinology, Medical Genetics, Otorhinolaryngology, Ophthalmology, Neurology, Dermatology, Venereology		BK8, BK10
Semester 8	Pediatrics, Surgery / Pediatric Surgery	Internal Medicine	Psychiatry and Narcology, Urology	Epidemiology and Principles of Evidence-Based Medicine, Inpatient Clinical Clerkship	BK7, BK9, BK11, BK12
Semester 9		Obstetrics and Gynecology	Infectious Diseases, Oncology, Neurosurgery, Phthisiology, Anaesthesiology and Intensive Care, Emergency Medical Aid, Clinical Immunology and Allergology		BK16, BK19, BK20
Semester 10			Radiation Medicine, Clinical Pharmacology, Occupational Diseases	Pediatric Infectious Diseases, Outpatient Clinical Clerkship	BK13, BK14, BK15, BK17, BK18
Semester 11		Internal Medicine	Pulmonology, Hygiene and Ecology, Social Medicine and Public Health		BK21, BK22, BK24
Semester 12	Pediatrics, Surgery / Pediatric Surgery	Obstetrics and Gynecology		General Practice (Family Medicine), USQE (Stage 2)	BK23
